

# Assex® 80 WDG

## Herbicide

### KEEP OUT OF REACH OF CHILDREN

#### CAUTION

#### DIRECTIONS FOR USE

It is a violation of the Federal law to use this product in a manner inconsistent with this label. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirements specific to State or tribe, consult the agency responsible for pesticide regulation.

#### AGRICULTURAL USE REQUIREMENTS

Use this product only in accordance with this labeling and with the Worker Protection Standard, 40 CFR Part 170. This standard contains requirements for the protection of agricultural workers on farms, forests, nurseries, greenhouses and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this label about personal protective equipment (PPE), and restricted reentry intervals. The requirements in this box only apply to uses of this product that are covered by the Worker Protection Standard. Do not allow entry or allow worker entry into treated areas during the restricted-entry interval (REI) of 48 hours. The REI is 72 hours in areas with average rainfall of 25 inches per year. PPE required for early entry to treated areas that is permitted under the Worker Protection Standard that involves contact with anything that has been treated, such as plants, soil, or water is: coveralls, chemical resistant gloves, chemical resistant shoes plus socks, and protective eyewear. Notify workers of the application by warning them orally or by posting warning signs at the entrance of treated fields.

#### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

#### CAUTION

Harmful if absorbed through skin. Wear safety goggles when handling. Avoid contact with eyes, skin or clothing. Do not inhale dust or spray mist. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking or smoking.

#### PERSONAL PROTECTIVE EQUIPMENT.

Applicators and other handlers must wear: long sleeved shirts and long pants, waterproof gloves and shoes plus socks and protective eyewear. Discard clothing and other absorbent materials that have been drenched or contaminated with this product. Follow manufacturer's instructions for cleaning/maintaining personal protective equipment. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

#### Active Ingredient:

Asulam (800 gr a.i./Lit) ..... 80.00%  
(Equivalent to 66.21% de Asulam tech.)

Inert Ingredients: ..... 20.00%

Total: ..... 100.00%

EPA Est. No. 62171-MS- 003 - Reg. # 09779

Net Contents: 1 Kg.

#### FOR EXPORT ONLY

NOT FOR SALE IN UNITED STATES OF AMERICA

#### STATEMENT OF PRACTICAL TREATMENT

**IF ON SKIN:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison center for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably mouth-to-mouth. Call a poison center for further treatment advice.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing. Call a poison center for treatment advice.

**IF SWALLOWED:** Call a poison center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told by a poison center or a doctor.

**NOTE TO PHYSICIAN:** There is no specific antidote. All treatment should be based on observed signs and symptoms of distress observed in the patient. Overexposure to materials other than this products may have occurred.

**SYMPTOMS OF POISONING:** In severe cases of overexposure by oral ingestion, lethargy, muscle tremors, and, in extreme cases, possible convulsions may occur.

#### Use Instructions for Commercial Use

ASSEX® 80 WDG Is a selective pot emergence herbicide used for control of problem grasses in sugarcane. Optimum weed control is obtained when ASSEX® 80 WDG is applied to actively growing grasses and when average daily temperature is greater than 60°F. ASSEX® 80 WDG can be used in both plant cane and ratoons.

Crop	Rate	Application Timing
Sugarcane	3-4 Kg/Ha	<p><b>Johnson grass Control</b> - Apply when Johnson grass is 12-18 inches tall (soil to whorl). Optimum control is obtained when grass is actively growing and before Johnson grass is in the flowering stage.</p> <p><b>Itchgrass Control</b> - Apply before Itchgrass (Raoul grass) exceeds 8 inches in height. Addition of a surfactant or crop oil concentrate at recommended rates is always recommended for itchgrass control.</p>

Rates for ASSEX® 80 WDG Herbicide are for broadcast applications. For banded applications reduce the rate proportionally to the width of the band according to the following formula:

$$\frac{\text{Band of Width (Inches)}}{\text{Row Width (Inches)}} \times \text{Broadcast Rate} = \text{Band rate/Acre}$$

#### Restrictions and Precautions

- Do not plant crops other than sugar cane in treated area. Cover crops may be planted if plowed under and not grazed.
- Do not treat sugarcane within 90 days of harvest
- Do not graze or feed sugarcane fodder and forage to livestock.
- Do not rotate with any crop which is not registered for use with ASSEX® 80 WDG Herbicide for one year following the last application of this chemical.
- The total cumulative rate of ASSEX® 80 WDG Herbicide must not exceed 1 Gallon per Acre per season.

#### IMPORTANT NOTICE

The Seller warrants that this product conforms to its chemical description as stated on the label. The product is reasonably fit for the purpose stated on the label when used in accordance with the label directions and instructions under normal conditions of use. Neither this warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions or under abnormal conditions or under conditions not reasonably foreseeable to the seller. Buyer assumes the risk of any such use.
